Indian Structural Integrity Society (InSIS) and the Indian Institute of Science (IISc) invite you to the 6th International Structural Integrity Conference and Exhibition (SICE-2026). Join global experts to exchange advances in structural integrity and foster cross-disciplinary collaboration.

Prof. S. Gopalakrishnan
Conference Chair

Prof. Praveen Kumar
Convenor

Dr. Dheepa Srinivasan
Prof. Nagamani Jaya Balila
Technical Chairs

Prof. Ankur Chauhan
Secretary & Treasurer

Subject Areas:

1. Creep, Fatigue, Fracture in Strategic Sectors
2. Testing under extreme environments
3. Failure Analysis and Advanced Characterization
4. Multiscale Modelling of Plasticity and Damage
5. AI and ML in Structural Integrity
6. Additive Manufacturing
7. Electronic Materials Structural Integrity
8. Biomechanics and Biomaterials Testing
9. Structural Integrity in Civil Structures
10. Component and System-level testing
11. Air Frame Structural Integrity Program
12. Tribology and Wear
13. Structural health monitoring & Non-Destructive Evaluation
14. Corrosion
15. Surface Engineering / Coatings
16. Structures and life extension
17. Composites

Special Events:

- Dr S. R. Valluri Memorial Lecture
- Special session to honour Prof. Vikram Jayaram: Advances in Structural Integrity, Macro to Meso

Pre-Conference Workshops on December 7th, 2026:

- New ASTM Standard E3490 on fatigue thresholds
- Testing under extreme environments
- Composite Materials Testing
- Inspection Technologies

Important Dates:

Abstract Submission Deadline

- For Paper Publication in Journal of Procedia Structural Integrity: **July 15th, 2026**
- For Presentation only: **August 31st, 2026**
- For Poster only: **October 31st, 2026**

Manuscript* Submission Deadline: August 15th, 2026

**Notification of Paper Acceptance:
September 31st, 2026**

*** Selected papers to be published in Scopus-indexed Journal of Procedia Structural Integrity**

Registration Fees (Includes GST):

	Local Delegate (INR)	Overseas Delegate (USD)
Regular	₹ 15,000	\$500
Member InSIS	₹ 11,000	\$400
Students*	₹ 7,000	\$200
Accompanying Person	₹ 5,000	\$200
Pre-Conference Workshops	₹ 5,000	\$100

*** Student ID required**

This four-day event presents a unique opportunity to showcase engineering products and services to a broad base of potential customers, partners and vendors. This biennial event brings together hundreds of specialists from academia and industry with expertise in materials science, mechanical design, material property characterization, structural analysis, destructive and non-destructive evaluation, manufacturing, and certification.

International Advisory Body:

- Adam Pilchak, Pratt & Whitney, USA
- Andrew Rosenberger, AFRL, USA
- Arun Shukla, UoRI, USA
- Ashok Saxena, UoA, USA
- Bernd Gludovatz, UNSW, Australia
- Babu Sudarsanam, UoM, USA
- Christian Bradl, UM, Australia
- David Knowles, Henry Royce Centre, UK
- Gerhard Dehm, MPISM, Germany
- G Ravichandran, Caltech, USA
- Jamie J. Kruzic, UNSW, Australia
- Janelle P Wharry, UIUC, USA
- Jaroslaw Szwedowicz, Siemens Energy, Switzerland
- J C Stinville, UIUC, USA
- Jochen Schneider, RWTH, Germany
- K S Ravi Chandran, UUtah, USA
- Kumar Sridharan, UWM, USA
- Oleg Plekhov, RAS, Russia
- Ravi Chander, UT Austin, USA
- Sanjay Sampath, Stony Brook U, USA
- S Narayanaswamy, A*STAR, Singapore
- Sushovan Roychowdhury, GKN, Aerospace, Sweden
- Vijay K Vasudevan, UNT, USA

National Organizing Committee:

- Anand Murugan, Baker Hughes, Bengaluru

- Apu Sarkar, BARC, Mumbai
- Arindam Banerjee, CSIR-Nal Bengaluru
- Aritra Chatterjee, IIT Guwahati
- Atul Ballal, VNIT Nagpur
- Amitabha Datta, CSIR-NAL, Bengaluru
- B Dattaguru, Jain University, Bengaluru
- Devi Lal, IIT Jammu
- Dhiraj Mahajan, IIT Ropar
- Gangadharan Raju, IIT Hyderabad
- GopiKrishna R, DRDL, Hyderabad
- Hemant Kaushik, IIT Guwahati
- Ilaksh Adlakha, IIT Madras
- Palani I A, IIT Indore
- K Padmanabhan, VIT Vellore
- Karthikeyan Hariharan, IIT Bombay
- K. K. Brahma, Ex-CSIR-NAL, Bengaluru
- M Masiur Rahaman, IIT Bhubaneswar
- Manivannan R, CSIR-CMERI, Durgapur
- Manjesh Singh, IIT Kanpur
- Muvvala Gopinath, IIT, Hyderabad
- Namrata Gundiah, IISc Bengaluru
- Niraj Chawake, IIT Kanpur
- R Sunder, ITW Bengaluru
- Raghava G, Ex-CSIR-SERC, Chennai
- Raghu Prakash, IIT Madras
- Ramji Manoharan, IIT Hyderabad
- Rahul M Cadambi, RUAS, Bengaluru
- Satyam Suwas, IISc Bengaluru
- S Sivaprasad, CSIR-NML, Jamshedpur
- Shashibhushan Arya, NIT Surathkal
- S Shyamsunder, Pro-SIM, Bengaluru
- S. Vishnuvardhan, CSIR-SERC, Chennai
- Sisir Mantry, CSIR-IMMT, Bhubaneswar
- Suchandrima Das, IISc, Bengaluru
- Sujata M, NAL, Bengaluru
- Sumantra Mandal, IIT Kharagpur
- Surendra Makineni, IISc, Bengaluru
- Unnat Mankad, Baker Hughes
